Sub: Regarding curriculum feedback from stack holders for the session 2018-23

Respected Sir,

I am glad to forward you the curriculum feedback from the stakeholders for the session 2018-23, for this session, different questionnaires were prepared for all the stakeholders on Google Forms. All the feedback questions were measured on a five-point rating Likert scale. The questionnaire was distributed to the stakeholders through the college whiteboard and WhatsApp groups. The responses are analyzed and recommendations are made accordingly.

Recommendations:

- Update the BCA, B.COM, B.SC and BA syllabus according to the market trends
- Include the Internal exam in the curriculum

We request you to consider our recommendation for the benefit of the students and stakeholders of the university and college.

With regards
