## ANTI RAGGING COMMITTEE (ARC)

### About the Committee:

In our nation's higher education system, ragging is an unsettling reality. Even though ragging has destroyed thousands of talented students' careers and resulted in the deaths of hundreds of innocent people over the years, many still view the practice as a young college student's "initiation into the real world" and "familiarization." Ragging is characterized as any disorderly behavior that has the effect of taunting, treating, or handling a novice or junior student rudely, whether through words or deeds. Participating in raucous or unruly behavior that irritates, burdens, or damages one's mental state, or that incites fear or anxiety in a novice or junior. In view of the directions of the Hon'ble Supreme Court in SLP No. 24295 of 2006 dated 16-05-2007 and in Civil Appeal number 887 of 2009, dated 08-05-2009 to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, of all students.
